

NOTICE: Popmoney Sunset May 1, 2023

What is the Popmoney Sunset?

Our online and mobile banking service provider is phasing out the Popmoney feature and will no longer support the payment service.

What's happening?

Popmoney will no longer be accessible in your online and mobile banking menu to send money to other people.

When is this happening?

Effective May 1, 2023, Popmoney will be discontinued in our online and mobile banking services.

What do I need to do before Popmoney is discontinued?

Please stop using the service completely by April 15, 2023 to ensure that all of your Popmoney payments post and settle before the sunset date.

If you send recurring payments using Popmoney to friends and family, please cancel your recurring Popmoney payments right away and be sure to connect with them regarding a new recurring payment arrangement.

Are there any alternatives available at PCSB?
